

ELEVACIÓN 2

BLOQUE "C"

This architectural floor plan depicts a long, narrow building, likely a school or institutional structure, oriented horizontally. The plan is divided into several distinct sections by a central corridor and various room layouts.

Room Layouts and Features:

- Classrooms/Study Rooms:** Numerous rectangular rooms are arranged along the sides of the central corridor. Many of these rooms contain desks and chairs, indicating they are used for instruction or study.
- Common Areas:** There are several open spaces, including a large area on the right side that appears to be a common room or a large classroom, and a smaller area on the left side.
- Restrooms and Bathrooms:** Several small rooms, some labeled "W.C." (Water Closet), are distributed throughout the plan, typically accessible from the main corridors.
- Storage and Utility Rooms:** Smaller rooms, some labeled "Storage" or "Utility", are located near the ends of the building.
- Entrances and Exits:** The plan shows multiple entrances and exits, including a large entrance on the right side and smaller ones along the top and bottom edges.
- Scale and Orientation:** A scale bar is located in the bottom right corner, indicating a length of 10 meters. The plan is oriented with the top edge representing the north side of the building.

The drawing is a detailed line plan, showing walls, doors, windows, and furniture. It is a technical representation of the building's interior space.

ELEVACIÓN 4

Architectural elevation drawing of a building facade, labeled "ELEVACIÓN 4". The drawing shows a long, low structure with a series of vertical lines representing a wall or screen. To the left, there is a section with a grid pattern, possibly a window or a decorative element. The drawing includes various annotations: "RW" (Right Wall) and "LW" (Left Wall) are labeled on the right side. On the left side, there are labels "NW" (North Wall) and "SW" (South Wall). The drawing is oriented horizontally, with the top of the page labeled "ELEVACIÓN 4".
